Our 30th Annual Classic Tour - Part of the
Wigton Motor Club Classic Weekend

Wigton Motor Club Ltd

Rose and Thistle

Saturday 18th August 2018

We have pleasure in inviting you to take part in the 30th running of The Rose and Thistle, a one day Tour to be held on Saturday 18th August 2018. This Touring Assembly is authorised by the MSA with an Organising Permit/ Certificate of Exemption number 107790.

The Saturday event is part of Wigton Motor Club's Classic Weekend and is followed on Sunday 19th by The Cumbria Classic Show at Dalemain by Ullswater, so why not make a weekend of it?

The Tour will start from The Brewers Fayre at the Premier Inn by the A66 roundabout at Cockermouth Map Reference 89/116293 and is open to members of Wigton Motor Club and all other enthusiasts driving historic, classic and other fine and sporting cars of any age. We start our day with bacon sandwiches, coffee and documentation in the Restaurant where the route will be issued. A list of starters and start times will be sent out with final instructions during the week prior. En route we will take in a visit to the Lakeland Motor Museum at Backbarrow and there will be a light bite lunch served on site.

The route will be defined by a simple road book with Tulip Diagrams and distances. If you or your passenger are first timers please feel free to call us and ask us for help and instruction on 'tulips' and anything else that may not be clear.

The entry fee for Wigton Motor Club members will be £50 per car and for non members £60 and includes the refreshments detailed above. The meal costs for a third or fourth crew member will be £18 per person. Tour self adhesive plates and a commemorative award are included and will be distributed at the start together with a final start list. The road book will take participants back to the A66 for an early finish to permit preparation for those taking part in the Dalemain Show on the Sunday. No organised finish venue has been arranged.

If anyone has particular dietary requirements please contact the organisers.

Please ensure your car insurance covers you for the Touring Assembly which is a non timed, non competitive event run entirely on public roads.

We look forward to seeing you and promise an interesting route on great driving roads but please bear in mind that this Saturday run is at the height of the summer holidays and we can expect there will be others driving our roads. Please be courteous and careful.

Entries open with the publication of these details and close on Saturday 11th August.

Our thanks to Chris Leece for marshalling the start and to John, Lynda and Andrew Graham for Course Closing Car duties.
