CUMBRIA CLASSIC WEEKEND

Traders & Autojumlbers

Welcome to the **Cumbria Classic Show** on August 19th in the Lake District and only ten minutes from the M6 at Penrith! We are having the same format as last year - Saturday will see the **Rose and Thistle Challenge** and Sunday will see the **Cumbria Classic Show**.

Wigton Motor Club is the biggest motor club in the region and has a strong classic car section. We are working on a project to develop a motoring heritage park in Cumbria which all clubs will be able to use. The profits from this event will be going towards that project. We are also supporting local charities.

We have a bigger area to use which will allow more space for exhibits and allow traders to make more of their allocated space. This year we are continuing to improve the show and the main changes will be a re-arranged layout to make more use of the space available, an even bigger trade and craft area. **Dalemain House and exhibitions** will be open to the public during the Show. In addition there will be club displays, an autojumble and arena displays. We will also be arranging accommodation lists for those who wish to make a complete weekend of the Challenge and Show. The Show will be open to the public from 11.00 until 16.30.

We have pleasure in inviting you to have a stand at the **Cumbria Classic Car Show**. As the concessions for food and drink are already allocated, sales of these are not permitted.

Entries close on August 1stth the cost until that date is £25 per 5m x 5m area. Late entries will be accepted after that date at £30 per 5m x 5m area. **However all stands must be prepaid!** No payments will be accepted on the day as this has been abused in the past. Traders may have 2 people and a max of 2 vehicles/trailers per 5 x 5 pitch. Larger pitches by arrangement at £1 per square metre.
