This can be an extension to the existing motor policy for the car or purchased via the event organisers. If a competitor uses an extension to an existing policy, they will be required to sign a declaration that the cover complies with the requirements of the Road Traffic Act. All drivers must be aged 19 or over.

Have held a full licence for a minimum of 6 months.

HYDRAULIC HANDBRAKES!

Please read the following fully as you have a declaration to sign on the entry form.
Historic class vehicles cannot have a hydraulic handbrake fitted. The MSA yearbook rule is below
Both can be found in section "R" Rallying and the book is available to view on the MSA web site.

19.7.6. The fitting of a dual master cylinder, or any other type of device providing a simultaneous action on all four wheels and divided action on two wheels, is permitted, provided the original brake pedal and pivot point are used and they cannot be adjusted to affect brake balance by either the Driver or the Co-Driver when normally seated in the car. Hydraulic handbrakes are not permitted.

For Targa class vehicles read the following

18.6.3. Brakes are free but must comply with Construction and Use Regulations. A hydraulic handbrake is permitted. This must incorporate the existing manufacturers handbrake lever, mounting position and pivot point.

This means for Targa only you can have a Hydraulic Handbrake but it must use the original handbrake lever NO vertical parts and only come off the original handbrake lever.

At Scrutineering we WILL be checking the handbrake set up in cars so all coats hats bags etc will need to be removed so that the area can be inspected. If you are found to have a non compliant system you will be given time to disable it, Handles can be given to the MSA scrutineer and collected at the end. If you cannot comply you will be excluded.

Through out the event checks will be made at random points through the day and anyone found to have refitted a system will be excluded from the event.

These are the rules ladies and gents they have been the rules for some time others might not enforce them but on this event and any other I run they will be enforced.
